

## Year 10 and Year 11 Careers Interviews

January 2024

Congratulations to all of those who took part in the careers interview last Friday (26/1/24) with Dr Jamie Maddock from Quilter Associates. The morning was spent going over CV's and employment skills. Dr Maddock was very impressed with New Woodlands School and the careers provision. He looks forward to coming in again next year. A special mention goes out to Hannarly Wilmot (above) in LH. Hannarly was certainly the best dressed and spoke very eloquently about his ambitions once he leaves school.
