

## Reading Corner Writeup World Book Day Ks3-4 2024

For this year's World Book Day, we in KS3/4 kickstarted our class reading corners by contributing design ideas. Following this, teachers and TAs worked tirelessly to create a designated reading corner in each of the KS3/4 classrooms. We now have the beginnings of the reading corners, and we hope to develop them moving forwards. A big thank you to everyone involved for your creativity and support.
