

Black History Month: October 2024

In October, the Year 11 students visited the Black Cultural Archives in Brixton as part of their Black History Month celebrations. This visit offered an immersive experience into the rich history, achievements, and contributions of Black individuals and communities in Britain and beyond. Students explored a range of exhibits featuring influential figures, historical artifacts, and key cultural moments. Guided tours and engaging talks highlighted the

resilience and creativity within Black British history, giving students a deeper appreciation of the legacy and impact of the Black diaspora. The trip fostered reflection, cultural awareness, and inspired thoughtful conversations on heritage and identity.

Mr Fernandes would also like to thank Ms Nugyen, David, Bykissa and Daisy for their support on the day.
