

Don Rae – The Little Mermaid December 2024

Don came to visit on Friday 8th December and the whole school were really excited. Each class participated in a 30min workshop with Don and his team. They worked hard and quickly learned their parts in the play. At 2pm all the classes met in the hall to perform together. It all went very well as always and the children all really enjoyed the day.

Thanks Don – we all look forward to the next one! I wonder what the theme will be next time
