

Ramadan 2025 @ New Woodlands School

As the holy month of Ramadan unfolds, several members of staff at New Woodlands School have been observing the fast, demonstrating both their dedication to their faith and their commitment to the school community.

Nicole, Anna, Eimma, Axel, Mamadou, Jinai, and Ibrahim have all been fasting from dawn to sunset, balancing their spiritual devotion with their roles in supporting students. Despite the long hours without food or drink, they have continued to work with energy, patience, and care, setting an inspiring example for both staff and students.

The school community has embraced this time with warmth and respect, with many colleagues and students engaging in conversations to learn more about Ramadan and its significance. This has further strengthened the culture of inclusivity and mutual respect at New Woodlands.

As Ramadan progresses, the entire New Woodlands community extends its best wishes to Nicole, Anna, Eimma, Axel, Mamadou, Jinai, Ibrahim, and all those observing. We look forward to celebrating the joyous occasion of Eid together at the end of the month.
